MARCH 2020

THE PRESIDENT SAYS:

Greetings, Fellow Funseekers!

Well, I'm afraid there won't be much to report in this month's newsletter. As you all know, I recently received a letter from FMCA President Jon Walker, which he sent out to all members of the governing (which consists of the National Directors of each chapter). As he reported, the recent convention in Arizona had to be canceled, and they have also canceled the one that was supposed to take place in Lincoln, Nebraska, this summer. He is hoping that the one scheduled for next year at the Fairgrounds in Perry won't have to be canceled, but I guess we'll just have to wait and see. I forwarded his letter on to all our members and hope all of you have had a chance to read it.

Betty Mann recently forwarded to me an article in an RV magazine she receives that reported that all Good Sam chapters have been disbanded. I was really struck by that announcement, but perhaps we may be looking at that same thing for FMCA chapters down the road. No one knows what will happen in the future.

PLEASE NOTE THE FOLLOWING CHANGES TO OUR RALLY LIST:

As you know from my recent emails, the March rally in Bainbridge had to be canceled, and the April rally in Gulf Shores has been moved to the second weekend in November. All of you who had made a reservation for Gulf Shores need to call them personally to reschedule your reservation so as not to lose your deposit. They have said they will be honoring the

deposits for the November slot. As it looks right now, the May rally will probably have to be canceled also, but we'll wait and see how it goes.

I have also moved the June rally, which was scheduled to be held in Townsend, TN. It is now scheduled to be held at The Great Outdoors RV Resort in Franklin, NC. And the date will be the fourth weekend in June, not the third as we usually have our rallies. Please see the info about this campground in our list of rallies on the last page of this newsletter.

I pray that all of you are doing well and staying home as much as possible. Bill and I haven't been out anywhere for about three weeks now, which is probably a good thing, since I fell on my right foot three weeks ago and sprained it really bad. X-rays showed no broken bones, thank God, but a severe sprain has kept me off my feet for the last three weeks. Lots of swelling and bruising, broken blood vessels and torn ligaments. But, thank the good Lord, it is healing nicely, but slowly, and today I was able to put on a pair of loose shoes and go for a short walk around the neighborhood. I sure was tired of using a cane! And what a beautiful day it was! I guess if I had to sprain a foot right now, this was really the best time to do it, since all of us "recycled teenagers" haven't been able to get out recently. Our son, Steve, who lives not too far from us, has been doing our little bit of shopping and bringing it to us, so we're doing okay.

Please e-mail me and let me know of anything any of you want to report, and I will gladly pass it along to all members. And please keep us informed on how you all are doing.

One other thing I would like for everyone to keep in mind: THIS AUGUST WILL BE THE FUNSEEKERS' 30th ANNIVERSARY! Plans will be made to celebrate, and will be forwarded to everyone when appropriate.

FOR SALE: DEMCO KAR KADDY, brand new, never been used, asking \$3,000. Call Bob McCoy 478-822-9699, leave a message. Thank you.

FOOTNOTE: Never be afraid to trust an unknown future to a known God!
Happy trails,
Ellen
