July – August 2021

Asheville, NC

Dear Georgia Funseekers,

I am happy to report our July Rally was a wonderful success. Asheville, NC provided a grand location for friends to gather and enjoy the local attractions, great food and entertaining fellowship.

We were delighted to welcome new members John and Kathy Goddard and meet for the first time, Oscar and Pat Wiltse. Oscar and Pat joined just prior to Covid 19 and this was their first rally. Unfortunately, their hot water heater was leaking forcing them to depart early.

In addition to John, Kathy, Oscar and Pat we had the Amersons, Baggarly, Beardens, Herricks, Joys and Mitchells. Registered but had to cancel was Brenda and Richard Hutson due to RV side out problem, Stick Miller is having issues with a swollen leg and Joe Brannon is having hip replacement surgery August 4th. Best wishes for problems solved and speedy recoveries to those ill.

This was my first experience with “No Host” and it worked out just fine. We set up grills Thursday night and everyone grilled their hamburgers and hot dogs, we shared sides and enjoyed Harry and Gayna’s beverage refreshments. The leisure time was enjoyed by all to explore the beautiful area. The evening hours provided a good time for fellowship at Denise and Hugh Mitchell’s campsite. We enjoyed sharing stories and feasting on Denise’s Pound Cake or Key Lime Pie.
