Daily Devotions – Prop 75

2:00 PM – 3:30 PM

SIGN UP FOR CRAFTS – ELEVATE BUILDING/COMPASS ROSE

3:00 PM – 4:00 PM

Before you Call a Tech – Steve Raye - Hangar A

As with your car or home there are some things you need to understand for proper use and maintenance. There are many issues that arise while using your RV. Understanding how your RV works may save the need to call for service. This seminar will supply you with the right answers that can help the tech, therefore saving you time when you need to call for service. This seminar is not designed to teach all aspects of RV service, which technicians train for year and are certified for. We will cover some of the most common

calls received by service techs. This can save you from missing the tailgate party to a ruined vacation.

Safe-T-Plus – Your Suspension Can Be Better – Hangar C

Join our discussion on how to improve driving, handling, and comfort in your motorhome even if you think it drives great. Better ride product solutions work in tandem with the Safe T Plus for a superior driving and riding experience.

Adventure Caravan - Understanding Guided Tours - Hangar A

Low stress vacations with enhanced travel experiences! Enjoy freedom, independence with group travel. Finding the right fit, preparation, features and expectations! Your chance to win a \$500 certificate!

Micro-Air, Inc – What Can Easy Start Do For you – Hangar C

Air conditioning compressors require a lot of energy to start, causing a huge current surge that typically drains four to five times more than a small generator's peak rating. A soft start can reduce the surge current by 50-70% resulting in an RV Rooftop 16 KBTU, 120-volt compressor to start with under 20 amps of current. And, for easier cabin comfort control, you can now use your smartphone to manage your thermostat in or out of your RV. In this seminar we discuss two solutions: the Micro-Air Easy Start and the Micro-Air Easy Touch. Presented by Ed Todd.

Bobee Tech – Make Your RV Journey Memorable – Prop 75

Don't Leave it Blank. Recording videos on RV road trips is a fantastic way to capture and preserve your travel memories. By filming your experiences, you can share your journey with others, relive your adventures, and document the places you visit. Whether you're a seasoned videographer or just starting out, there's no better way to capture the essence of your RV road trip than through video. So pack your camera gear, hit the road, and start creating your own travelogue today.

National Director Roundtable - SEA President Bill Dees – Prop 75 Annex

National Directors from throughout FMCA are the liaisons between their Chapters and the Governing Board. SEA President, Bill Dees will talk about the duties and opportunities of being a National Director with a Q & A session.
